We acknowledge your contribution as a partner in our Supply Chain providing materials to our facilities.

ORYX GTL has evaluated your performance by measuring the degree of your effectiveness in meeting our following key performance criteria

- Quality
- Timely Delivery
- Price

These Parameters are evaluated for each purchase order executed during the above period. Based on the evaluation you have scored an overall score of **100** out of 100

Accordingly you have been graded as under:

Grade A	Very Satisfactory	The Level of Service during the review period is highly appreciated, we appreciate that you maintain this level of performance in the future.
---------	-------------------	---

Being a valuable partner in our supply chain, we urge upon you to improve your overall score, by improving on the key performance parameters.

Post Evaluation Action Requirement - Vendor Rating Grade A

Further to the issuance of the Performance Feedback, we note that your company has been graded **(A)** based on the analysis of data computed by our ERP system.

The secured grade is obviously as a result of your company's shortcomings in 3 key factors viz.

1) Delivery 2) Quality of the Materials Supplied 3) Price. The grading is arrived based on score assigned to these factors, which have in turn been attached with appropriate weight age depending on the level of importance these factors contribute to our business.

The Level of service provided by your company during the review period has been found to be very satisfactory and is highly appreciated, we appreciate that you maintain this level of performance in the future.

Please note we have been transmitting such feedback report to all our suppliers and the outcome has been very encouraging with many of them bettering their services and moving into better performing suppliers' list.

In the same way, should you wish to report on our performance, you are most welcome to do it, which allow us an opportunity to improve on the areas of concern.

We look forward to your positive reception to this important communication and looking forward to a fruitful business relationship in the future.

Regards
